Eligibility requirements

Income received from a pension, an annuity, a self-employed retirement plan, deferred compensation, IRA distribution, or other retirement plan benefits, may be excludable from taxable income. Iowa income tax is not required to be withheld from these distributions to qualifying recipients. To be eligible for the exclusion, you must be 55 years of age or older or disabled. If you are a surviving spouse or survivor of an individual who would have qualified for the exclusion you may also be eligible. To be considered disabled you must be receiving retirement income on the basis of a documented disability or you must meet federal or state criteria for disability. Federal Civil Service annuitants who want Iowa tax withheld from federal pensions should contact the Office of Personnel Management at 888-767-6738 or retire@opm.gov.
