Your voided check must contain your financial institution's routing number and your account number. I agree to allow IPERS to correct and recover electronic deposits of IPERS payments hereunder if an error in calculation or other overpayment of IPERS benefits to which I am not entitled occurs, including but not limited to overpayments caused by death or legal incapacity. If the funds have been withdrawn following an overpayment due to an error in calculation, my death, legal incapacity, or for any other reason, I authorize my financial institution to release to IPERS the name and address of the person(s) responsible for withdrawing the funds.
