NEWS RELEASE

FOR RELEASE

March 16, 2021

Contact: Marlys Gaston
515/281-5834

Auditor of State Rob Sand today released a report on the Iowa Public Employees' Retirement System (IPERS).

The report includes the audited Schedules of Employer Allocations and Collective Pension Amounts Allocated by Employer required to comply with Governmental Accounting Standards Board (GASB) Statement No. 68, Accounting and Financial Reporting for Pensions. The Schedules present each IPERS participating employer's contributions and proportionate share of the net pension liability, pension expense, deferred outflows of resources and deferred inflows of resources for the regular, sheriffs and deputies and protection occupation membership groups as of and for the year ended June 30, 2020.

AUDIT FINDINGS:

Consistent with the prior year, Sand reported no findings pertaining to the Schedules reported herein.

A copy of the report is available for review on the Auditor of State's web site at <https://auditor.iowa.gov/reports/audit-reports/>.

Independent Auditor's Report

To the Members of the Iowa Public Employees' Retirement System Investment Board:

Report on the Schedules

We have audited the columns titled 2020 Actual Employer Contributions, Employer Allocation Percentage, the total for all entities of the columns titled Net Pension Liability or Net Pension Liability/(Asset), Total Deferred Outflows of Resources, Total Deferred Inflows of Resources and Total Proportionate Share of Allocable Plan Pension Expense (specified column totals) included in the accompanying Schedules of Employer Allocations and Collective Pension Amounts Allocated by Employer (Schedules) of the Iowa Public Employees' Retirement System (IPERS) for the regular, sheriffs and deputies and protection occupation membership groups as of and for the year ended June 30, 2020, and the related Notes to Schedules.

Management's Responsibility for the Schedules

Management is responsible for the preparation and fair presentation of these Schedules in accordance with U.S. generally accepted accounting principles. This includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of Schedules that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the columns titled 2020 Actual Employer Contributions, Employer Allocation Percentage and the totals for the specified columns identified in the first paragraph of this report and included in the Schedules based on our audit. We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the columns titled 2020 Actual Employer Contributions, Employer Allocation Percentage and the totals for the specified columns identified in the first paragraph of this report and included in the Schedules are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the columns titled 2020 Actual Employer Contributions, Employer Allocation Percentage and the totals for the specified columns identified in the first paragraph of this report and included in the Schedules. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Schedules, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to IPERS' preparation and fair presentation of the Schedules in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of IPERS' internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the Schedules.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the Schedules referred to above present fairly, in all material respects, the columns titled 2020 Actual Employer Contributions, Employer Allocation Percentage, the total for all entities of the columns titled Net Pension Liability or Net Pension Liability/(Asset), Total Deferred Outflows of Resources, Total Deferred Inflows of Resources and Total Proportionate Share of Allocable Plan Pension Expense for all IPERS participating entities for the regular, sheriffs and deputies and protection occupation membership groups as of and for the year ended June 30, 2020, in accordance with U.S. generally accepted accounting principles.

Other Matter

We have audited, in accordance with U.S. generally accepted auditing standards, the financial statements of IPERS as of and for the year ended June 30, 2020, and our report thereon, dated December 7, 2020, M an unmodified opinion on those financial statements.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated March 5, 2021 on our consideration of IPERS' internal control over the preparation of these Schedules and on our tests of compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the effectiveness of IPERS' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering IPERS' internal control over financial reporting and compliance.

Restriction on Use

Our report, a matter of public record, is intended solely for the information and use of IPERS management, the Iowa Public Employees' Retirement System Investment Board, IPERS Plan employers, their auditors and citizens of the State of Iowa and is not intended to be and should not be used by anyone other than these specified parties.

* - Employer specific amounts excluded from this Schedule are the changes in proportion and differences between employer contributions and the proportionate share of contributions, as well as the related amortization as defined in paragraphs 54-55 of GASB Statement No. 68, Accounting and Financial Reporting for Pensions.

** - The proportions in this spreadsheet are for this membership group only, not the proportions to use to compute the change in entity proportion for the Pension note which is included in the Notes to Financial Statements. The Employer Calculation of Total Net Pension Liability/(Asset) and Proportion workbook, which is available on the IPERS website, details how to calculate an employer's proportion and net pension liability/(asset) to comply with GASB Statement No. 68.

* - Employer specific amounts excluded from this Schedule are the changes in proportion and differences between employer contributions and the proportionate share of contributions, as well as the related amortization as defined in paragraphs 54-55 of GASB Statement No. 68, [Accounting and Financial Reporting for Pensions](#).

** - The proportions in this spreadsheet are for this membership group only, not the proportions to use to compute the change in entity proportion for the Pension note which is included in the Notes to Financial Statements. [The Employer Calculation of Total Net Pension Liability/\(Asset\) and Proportion](#) workbook, which is available on the IPERS website, details how to calculate an employer's proportion and net pension liability/(asset) to comply with GASB Statement No. 68.

Iowa Public Employees' Retirement System

Iowa Public Employees' Retirement System

Notes to Schedules

June 30, 2020

(1) Plan Description

Administration

IPERS is a cost-sharing, multiple-employer, contributory defined benefit public employee retirement system. Administrative expenses are appropriated each year by the Iowa Legislature and paid from the Trust Fund.

The IPERS Investment Board is designated as the Fund's trustee. It sets investment policies and oversees the System's actuarial program. The Board holds public meetings regularly to review actuarial findings and investment performance and to formalize policies with the administration.

The IPERS Benefits Advisory Committee is statutorily charged to make benefit and service recommendations to IPERS and the General Assembly. The Committee is composed of representatives of constituent groups concerned with the System and includes representatives of all major employer groups and major active and retired member associations.

Plan Membership

IPERS participation is mandatory for most employees of the state of Iowa and its political subdivisions, including public school systems. Exceptions include those employees covered by a retirement system at least partially supported by public contributions, other than Social Security. Membership is optional for the members of the Iowa General Assembly and certain other individuals.

At June 30, 2020, IPERS had 170,380 contributing (active) members, employed by 1,944 employers.

Plan Benefits

IPERS benefits are established under Iowa Code chapter 97B and the administrative rules thereunder. Chapter 97B and the administrative rules are the official plan documents. The following brief description is for general informational purposes only. The plan documents contain more information.

1. Vesting – Regular members who complete seven years of covered service or reach the age of 65 while in IPERS-covered employment become vested. Special Service members who complete four years of covered service or reach the age of 55 while in IPERS-covered employment become vested.
2. Service Purchases – At retirement, members who have reached the years-of-service requirement for vesting may purchase service. These members may restore (buy back) previously refunded member service, purchase (buy in) IPERS service credit for employment elsewhere or time spent away from work or convert (buy up) Regular service credit to Special Service credit.

3. Refunds – IPERS members who terminate public employment for any reason may request a full refund of their accumulated contributions. Vested members requesting a refund also receive a portion of their accumulated employer contributions. Acceptance of the refund automatically terminates IPERS membership and all claims to future benefits. If an employee works in covered employment for less than six months, the employer may file a wage adjustment and the applicable IPERS contributions will be refunded to the individual and employer.
4. Eligibility for Pensions – A Regular member may retire at normal retirement age and receive monthly benefits without an early-retirement reduction. Normal retirement age is age 65, any time after reaching age 62 with 20 or more years of covered employment or when the member's years of service plus the member's age at the last birthday equals or exceeds 88, whichever comes first. (These qualifications must be met on the member's first month of entitlement to benefits.) Members cannot begin receiving retirement benefits before age 55. Members who are age 70 and still working for an IPERS-covered employer may apply to begin receiving IPERS retirement benefits while still employed. Special Service members are eligible for retirement benefits if they are vested, no longer working for an IPERS-covered employer, and reach age 55. Sheriffs and Deputies are eligible for retirement benefits at age 50 if they have 22 years of qualified service.
5. Pension Benefit Formula – The formula used to calculate a Regular member's monthly IPERS benefit includes:
 - A multiplier (based on years of service).
 - The member's highest five-year average salary. (For members with service before June 30, 2012, the highest three-year average salary as of that date will be used if it is greater than the highest five-year average salary.)
 - An early-retirement reduction, only if the benefit is first paid before the member reaches normal retirement age. If a Regular member receives benefits before normal retirement age, a permanent early-retirement reduction will apply. For service earned before July 1, 2012, a reduction of 3 percent a year is applied for each year the benefit is paid before normal retirement age. For service earned after June 30, 2012, the reduction is 6 percent for each year of retirement before age 65.

The formula used to calculate a Special Service member's monthly IPERS benefit includes:

- A multiplier (based on years of service).
 - The member's highest three-year average salary.
6. Dividend Payments – Once a member selects a benefit option, a monthly benefit is calculated and remains the same for the rest of the member's lifetime. However, for retirees who began receiving benefits prior to July 1990, a guaranteed dividend is included with the November benefit payment.
 7. Disability Benefits – Vested members who are awarded federal Social Security disability or Railroad Retirement disability benefits are eligible for IPERS disability benefits. Disability benefits are not reduced for early retirement. Special Service members who retire because of a disability may meet the requirements for IPERS Regular or Special Service disability benefits.

8. Death Benefits

- Preretirement Death Benefits – If an IPERS member dies before retirement, the member's designated beneficiary may receive a lump-sum payment based on the greater of the following two formulas:
 - Death benefit = The actuarial present value of the member's accrued benefit as of date of death.
 - Death benefit = Member's accumulated contributions + (Member's highest annual covered wage × Years of service/30*)

*The denominator is 22 for all Special Service members.

If the member's designated beneficiary is a sole individual, the beneficiary will be offered the choice between receiving a lump sum or a lifetime annuity.

- Postretirement Death Benefits – If an IPERS member dies after retirement, payment is made to the beneficiary according to the option selected by the member at the time of retirement.

Contributions

Each year, IPERS' actuary performs a valuation of the liabilities and assets of the IPERS Trust Fund in accordance with Iowa Code section 97B.4(4)(d). The actuary also calculates an actuarial contribution rate for each membership group, which is the contribution rate necessary to fully fund the benefits provided under Iowa Code Chapter 97B.

Effective July 1, 2012, as a result of a 2010 law change, the contribution rates are established by IPERS following the annual actuarial valuation, which applies IPERS' Contribution Rate Funding Policy and actuarial amortization method. Statute limits the amount rates can vary each year to 1 percentage point for Regular members. IPERS Contribution Rate Funding Policy requires the actuarial contribution rate be determined using the entry age normal actuarial cost method and the actuarial assumptions and methods approved by the IPERS Investment Board. The actuarial contribution rate covers normal cost plus the unfunded actuarial liability payment. The payment to amortize the unfunded actuarial liability is determined as a level percentage of payroll based on the actuarial amortization method adopted by the Investment Board.

In fiscal year 2020, pursuant to the required rate, Regular members contributed 6.29 percent of pay and their employers contributed 9.44 percent for a total rate of 15.73 percent. Sheriff and Deputy members and their employers both contributed 9.51 percent of pay for a total rate of 19.02 percent. Protection Occupation members contributed 6.61 percent of pay and their employers contributed 9.91 percent for a total rate of 16.52 percent.

2020 actual employer contributions are used as the basis for calculating the employers' proportionate shares. These are the contributions posted to member accounts for the four quarters of fiscal year 2020, up to the cutoff date of August 7, 2020. These contributions are obtained by querying the data in the I-Que employer reporting system. These contributions vary from the contributions reported in IPERS' financial statements for the following reasons:

- The financial statements include all contributions paid during the fiscal year, including payments made during the fiscal year for prior fiscal years.
- A cutoff date of July 15, 2020, the employer's wage reporting due date, was used for purposes of financial reporting.
- Contributions are posted to member accounts when the employer reports the members' wages, regardless of whether the contributions have been paid; whereas the financial statements report contributions paid and accrued.

(2) Summary of Significant Accounting Policies

A. Basis of Accounting

Governmental Accounting Standards Board (GASB) Statement No. 68, Accounting and Financial Reporting for Pensions, requires certain information be provided about the System. The Schedules of Employer Allocations and Collective Pension Amounts Allocated by Employer (Schedules) provide this required pension information to the state of Iowa and other employers for inclusion in their financial statements.

The underlying financial information used to prepare the Schedules is based on the System's financial statements which are prepared using the accrual basis of accounting. Employee contributions are recognized in the period in which the contributions are due. Employer contributions are recognized when due and the employer has made a formal commitment to provide them. Benefits and refunds are recognized when due and payable according to the terms of the plan.

The Schedules are intended to present the information required by GASB Statement No. 68 and not to present the financial position of the System or the state of Iowa.

IPERS issues a publicly available financial report which includes financial statements and required supplementary information. The report may be obtained by e-mail at info@ipers.org, by phone at 515-281-0020 or 1-800-622-3849, by mail at Iowa Public Employees' Retirement System, P.O. Box 9117, Des Moines, IA 50306-9117, or at www.ipers.org.

B. Deferred Outflows of Resources and Deferred Inflows of Resources

Difference Between Projected and Actual Investment Earnings on Pension Plan Investments – The difference between projected and actual earnings on System investments are amortized over a five-year period. The non-current amounts are presented as deferred outflows or deferred inflows of resources in the Schedules. The current amounts are included as pension expense.

Differences Between Expected and Actual Experience – The difference between expected and actual experience is amortized over the average remaining service life for all members, which is 5.49 years for the year ended June 30, 2020. The non-current amounts are presented as deferred outflows or deferred inflows of resources in the Schedules. The current amounts are included as pension expense.

Changes of Assumptions – Changes of assumptions are amortized over the average remaining service life for all members, which is 5.49 years for the year ended June 30, 2020. The non-current amounts are presented as deferred outflows or deferred inflows of resources in the Schedules. The current amounts are included as pension expense.

- C. Changes in Proportion and Differences Between Employer Contributions and Proportionate Share of Contributions – As explained by the asterisk on pages 106, 114 and 138, employer specific amounts excluded from the Schedules are the changes in proportion and differences between employer contributions and the proportionate share of contributions, as well as the related amortization as defined in paragraphs 54-55 of GASB Statement No. 68, Accounting and Financial Reporting for Pensions.

Each employer will calculate and amortize these employer specific deferred outflows of resources and deferred inflows of resources. These differences are amortized over the average remaining service life for all members, which is 5.49 years for the year ended June 30, 2020.

(3) Net Pension Liability

The components of the net pension liability of the System at June 30, 2020 were as follows:

Regular Members

Total pension liability	\$ 38,469,643,936
Plan fiduciary net position	31,493,894,122
Net pension liability	<u>\$ 6,975,749,814</u>

Plan fiduciary net position as a percentage of the total pension liability	82.90%
--	--------

Actuarial Methods and Assumptions – The total pension liability (TPL) was determined by an actuarial valuation as of June 30, 2020, using the following actuarial assumptions and the entry age normal actuarial cost method, applied to all periods included in the measurement:

- Assumed investment return: 7%
- Projected salary increases: 3.25%–16.25% depending upon years of service
- Mortality tables: RP-2014 Employee and Healthy Annuitant Tables adjusted to 2006 and 2017 with MP-2017 generational adjustments
- Inflation rate: 2.6%
- Payroll increase assumption: 3.25%

The actuarial assumptions used in the June 30, 2020 valuation are based on the results of the most recent actuarial experience studies. An experience study of the System’s demographic assumptions was presented to the Investment Board in June 2018. This study included information on mortality, retirement, disability and termination rates, as well as salary trends, for the period of July 1, 2013 – June 30, 2017. At the Investment Board’s direction, the experience study of the System’s economic assumptions, including the long-term rate of return, was accelerated a year resulting in a full review of the economic assumptions in early 2017. The findings of the experience study on economic assumptions, along with the resulting recommendations, are included in the report dated March 24, 2017.

Several factors are considered in evaluating the actuarial assumed investment return including long-term historical data, estimates inherent in current market data, along with estimates of variability and correlations for each asset class, and an analysis in which best-estimate ranges of expected future real rates of return (expected returns, net of investment expense and inflation) were developed by the System’s investment consultant. These ranges were combined to develop the actuarial assumed investment return by weighting the expected future real rates of return by the target asset allocation percentage and then adding expected inflation. The actuarial assumed investment return reflects the anticipated returns on current and future plan assets and provides a discount rate to determine the present value of future benefit payments.

Best estimates of geometric real rates of return for each major asset class included in IPERS’ target asset allocation as of June 30, 2020, are shown in the following table.

Asset Class	Target Allocation	Long-Term
		Expected Real Rate of Return
Domestic equity	22.0%	4.43%
International equity	17.5	5.15
Global smart beta equity	6.0	4.87
Core-plus fixed income	28.0	(0.29)
Public credit	4.0	2.29
Cash	1.0	(0.78)
Private equity	11.0	6.54
Private real assets	7.5	4.48
Private credit	3.0	3.11
Total	100.0%	

Discount Rate – The discount rate used to calculate the TPL is 7 percent. The projection of cash flows used to determine the discount rate assumed that contributions from employees and employers will be made at the contractually required rates, which are set by the Contribution Rate Funding Policy and derived from the actuarial valuation. Based on those assumptions, IPERS' fiduciary net position is projected to be available to make all projected future benefit payments of current plan members. Therefore, the actuarial assumed investment return was applied to all periods of projected benefit payments to determine the TPL.

Sensitivity Analysis – GASB 67 requires the disclosure of the sensitivity of the NPL to changes in the discount rate. The table below shows the NPL if it were calculated using discount rates 1 percentage point lower and 1 percentage point higher than the actuarial assumed investment return of 7 percent.

Independent Auditor's Report on Internal Control
over Financial Reporting and on Compliance and Other Matters
Based on an Audit Performed in Accordance with
Government Auditing Standards

To the Members of the Iowa Public Employees' Retirement System Investment Board:

We have audited in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, the columns titled 2020 Actual Employer Contributions, Employer Allocation Percentage, the total for all entities of the columns titled Net Pension Liability or Net Pension Liability/(Asset), Total Deferred Outflows of Resources, Total Deferred Inflows of Resources and Total Proportionate Share of Allocable Plan Pension Expense (specified column totals) included in the accompanying Schedules of Employer Allocations and Collective Pension Amounts by Employer (Schedules) of the Iowa Public Employees' Retirement System (IPERS) for the regular, sheriffs and deputies and protection occupation membership groups as of and for the year ended June 30, 2020 and the related Notes to Schedules, and have issued our report thereon dated March 5, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the Schedules, we considered IPERS' internal control over financial reporting to determine the audit procedures appropriate in the circumstances for the purpose of expressing our opinion on the Schedules, but not for the purpose of expressing an opinion on the effectiveness of IPERS' internal control. Accordingly, we do not express an opinion on the effectiveness of IPERS' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility a material misstatement of IPERS' Schedules will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control which is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control we consider to be material weaknesses. However, material weaknesses may exist which have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether IPERS' Schedules are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, non-compliance with which could have a direct and material effect on the determination of Schedule amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters which are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing and not to provide an opinion on the effectiveness of IPERS' internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering IPERS' internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

We would like to acknowledge the many courtesies and assistance extended to us by personnel of IPERS during the course of our audit. Should you have any questions concerning any of the above matters, we shall be pleased to discuss them with you at your convenience.
