

Direct Deposit Authorization

For Members

Direct deposit of your monthly IPERS payment is a service that allows payments to be electronically credited to your savings or checking account. Direct deposit eliminates the need for you to make special arrangements to deposit your IPERS check. Your monthly payment will be posted to your checking or savings account on the last business day of each month, for faster delivery and a safer way to handle your monthly payment. We hope that you will take advantage of this opportunity and find direct deposit to be more convenient for you.

To begin direct deposit of your IPERS payments, please complete this form and return it to IPERS at the address below.
